NOTE : The rate of transport of foodgrains quoted in preceding schedules for items 2, 6, &7 is subject to the following terms and conditions:-

1. The rate for transport of foodgrains etc. is on the basis of net weight of foodgrains which includes all taxes, duties, cess etc. **except Goods & Service Tax. GST will be paid extra, if applicable.**
2. No separate remuneration will be payable for part of gunnies as the remuneration therefore shall be deemed to be included in the rates for transport of net weight of foodgrains.
3. The transport charges are payable for the distance covered by loaded lorries /any other vehicle and not for distances covered on return journey or from garage to place of loading or back to garage. Payment on net weight basis envisaged in the note above applies to handling operations also.
4. Transport charges shall be payable for 1 kilometer when the distances covered by a loaded/ lorry/ any other vehicle per trip is less than one kilometer, for distance over one kilometer per trip, the distance covered by a lorry/any other vehicle shall in all cases be rounded off to the nearest 0.50 kms. (applicable to item -7).
5. The distance will be reckoned as fixed by the Chief Engineer PWD or any officer nominated by him or by or checked by the Managing Director OSWC or an officer acting on his behalf rounded off to the nearest 0.50 kms (applicable to item-7).
6. No compensation shall be admissible to the contractor in respect of the detention of trucks/any other vehicle at godowns, railway goodshed/ railway siding or any other loading/unloading point(s) or any other place(s) unless such detention be of extra-ordinary kind and the decision of the Managing Director, OSWC on all such claims shall be final both as regards the admissibility and an amount, if any, of the compensation.
7. No compensation shall be admissible to the contractor on account of non-availability of work sufficient to engage the number of trucks /carts/or any other vehicles/ labour specified in any programme issued by the Warehouse Incharge OSWC or an officer acting on his behalf.
8. The weight of bags of foodgrains etc. loaded/unloaded into from trucks/carts/or any other vehicles/ wagons at the Railway siding/Railway goodshed/ godowns/ other loading and unloading point(s), shall be worked out on the basis of cent percent weighment, if the bags are non-standardized, and on a check weighment of percentage of bags not exceeding 10 per cent, if the bags are standardized, before being loaded/unloaded. The representative of the contractor shall be present at the time of checking of weights at the loading/unloading points etc.
9. The rates for item 6 of the schedule of the rates is applicable to the godowns situated at a considerable distance from the Railway siding in the same premises which have been indicated in the invitation to tender (under place of operation) titled General Information. This rate includes the remuneration for loading into and unloading from trucks and will be paid in addition to the rate fixed for service item no. 3 or 4 or 5, when the Warehouse Incharge, OSWC is satisfied that the trucks are actually engaged for carrying the bags from the railway siding. The decision of the Managing Director regarding the admissibility of this claim shall be final and binding on the contractors.
10. **In case of any change in the distance for transportation of stock other than the distance approved for the contract period due to unavoidable circumstances, the transportation charge will be fixed at the approved rate for the revised distance basing on the specified distance slab mentioned in the price bid of the tender.**

NOTE NO. 1.

No charges other than those mentioned above shall be payable in respect of the services described in parts-I and II of the schedule of the services or any other duties, services and operations which are auxiliary and/or incidental to the principal services.
