| <b>SL NO</b> | <b>Rate of difference between the estimated cost put to tender and Bid Amount</b> | <b>Additional Performance security to be deposited by the successful bidder</b>                                                                                                                                                                                                                                                                                                         |
|--------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1            | Below 10.00 %                                                                     | No additional performance security                                                                                                                                                                                                                                                                                                                                                      |
| 2            | From 10.00% and above and below 20.00%                                            | The Additional Performance Guarantee/ Security percentage shall be incremented by 0.1% for every percentage of bid price below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1% and this additional performance guarantee percentage shall be applied on the bid price:                                                      |
| 3            | From 20.00 % and above                                                            | The additional performance guarantee percentage shall be incremented by 0.2% for every percentage of bid price below 20% of the project cost put to bid in addition to 1% of the bid price and this additional performance guarantee percentage shall be applied on the bid price. The Additional Performance Guarantee/ Security shall be treated as part of the performance security. |

- a) Justification for abnormally low bids shall be scrutinized by the Committee and recommended to the competent authority of the Administrative Department for the approval of the Additional Performance Security (APS). An abnormally low bid is one in which the Bid price, in combination with other elements of the Bid, appears so low that it raises material concerns as to the capability of the Bidder to perform the contract at the offered price. Procuring Entity may, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document. If, after evaluating the price analyses, the procuring entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the Bid/Proposal.
  - b) No claim shall be entertained towards any expenses made by any bidder for submission of the tender in case of cancellation/rejection/acceptance/withdrawal of the tender.
  - c) SC/ST Contractors, claiming price preference below estimated cost in BOQ, as per Works Deptt. Resolution No.27748 Dt.11.10.77, should submit APS in the shape/manner mentioned above for the total amount (rounded to nearest hundred rupees) less than the estimated cost (as applicable) including the amount up to which he/she/they is/are entitled/eligible to avail price preference. This APS condition shall be without prejudice to the order/instruction of higher authorities or Govt. or Hon'ble Court(s).
  - d) Note: -APS will be refunded after successful completion of the work or release of final bill.
12. Other details can be seen in the bidding documents.
  13. In addition to the above, the eligibility criteria mentioned elsewhere in this DTCN should be referred and understood by each intending bidder and accordingly submit his/her/their bid.
  14. The authority will not be held responsible for any technical snag or network failure during on-line bidding.
  15. The authority reserves the right to cancel any or all bids without assigning any reason.
