NOTE: Notwithstanding the number and storage capacity of the existing godowns and those expected to be constructed/acquired during the contract period the description of which is given in the tender, the Corporation may, during the currency of the contract, take over/acquire/construct more godowns for storage as and when necessary. Alternatively, it may also be necessary for the Corporation to give up or release one or more godowns out of those, the description of which is given in these documents or out of those, which are constructed/acquired later during the pendency of the contract. In such an event the 'contract shall not be rendered invalid and the contractor shall be bound to perform all the services/duties and execute all the works as per terms and conditions and rates of the contract and they shall not be entitled to make any claim whatsoever, against the Corporation for compensation/revision of rates or otherwise, due to increase/decrease in the number of godowns or the storage capacity of the godowns.

2. Weight of the stocks shall be required to be physically verified.
3. Non-standard bags on receipt shall be weighed cent per cent while standard bags may be weighed on 10 per cent.

4. Non-standard bags may be required to be standardized in the godowns.
5. The particulars given above are intended merely to help the tenderers to form their own idea of the approximate quantum of work involved in this contract. The tenderers must acquaint themselves fully with the size and location of godowns vis-a-vis loading/unloading points. They are warned not to rely on the particulars given in the notes above. No guarantee is given that all the items of work shown above will be required to be performed. The successful tenderers shall be bound to execute all works as required under the terms of contract and shall not be entitled to make any claim whatsoever against the Corporation for compensation, revision of rates or otherwise on the basis of particulars referred to above.

2 A. Object of the Contract:

The contractor shall render all or any of the services given in Tender document as and when necessary as directed from time to time by the Managing Director or an officer acting on his behalf together with such additional, ancillary and incidental, duties, services and operations as may be instructed by the Managing Director or an officer acting on his behalf and as are not inconsistent with terms and conditions of this contract.

B. Brief description of work:

- (I) Unloading/Loading of foodgrains bags from/into railway wagons, trucks etc., stacking the food grains in bags, bagging, weighment, standardization, cleaning of food grains, etc. and transporting of foodgrains from Railway Goodshed/ Siding to Warehouse/s or vice-versa or transporting them from one place to any other place in and around the designated warehouse (Elaborate description of service given in **Clause-XX** of **Annexure- I** on Terms and Conditions governing contract).
- (II) The tenderers must get themselves fully acquainted with the size and location of godowns vis a vis loading / unloading points before submission of tenders and rates quoted by them for loading into/ unloading from trucks/wagons shall be deemed to have been done after such acquaintance. Once a tender is submitted by a party, he shall be deemed to have fully acquainted himself with the size and location of godowns vis a vis loading/unloading points and shall not be entitled to any compensation arising out of any discrepancy in the size and location of godowns/group of godowns found later on, or on the ground that the workers employed by him are demanding higher rates of wages if load involved in certain operation(s) is more or the bags to be handled are heavier.

The services required to be performed under the contract have been categorized in two parts, viz. Part I - Receipts, Despatch & Deliveries and Part II-other services. Based on the local market trend and other relevant factors, the Corporation has prescribed rates for each of the service described in each Part which are shown in the PRICE BID (Schedule of Rates) for services annexed to the form of Tender. Tenderers are required to quote for all the services covered by the two parts detailed in **Clause -XX** of the Annexure containing the terms and conditions in the tender form annexed as PRICE BID and to indicate if they offer to work on the basis of the rates shown in the schedule of rates for services or offer a uniform percentage of reduction or enhancement, as the case may be, in the rates mentioned in the said Schedule of Rates.

In case the rates are quoted in a manner other than mentioned above, the tenders are liable to be ignored. The tenderers should not incorporate any condition in the tenders as conditional tenders will be summarily rejected.

**(iii) Mechanized Loading/Unloading Operations**

(a) The Contractor shall mandatorily bring in modern technology for loading and unloading operations at the same quoted price at its own cost. The contractor has to provide mandatorily mechanized loading/unloading points as under:

Capacity of Godown	Mandatorily mechanized loading/ unloading points to be provided by Contractor (minimum requirement)
Up to 20000 MT	1
20000 to 40000 MT	2
Above 40000 MT	3

(b) In addition to (a) above the Contractor shall have the option to bring in modern technology for all the loading and unloading points of operations in Depot at the same quoted price at its own cost.

(c) OSWC shall facilitate/permit use of such technology in OSWC godowns for FCI stocks. The electricity bill in depot premises will be borne by OSWC, no extra remuneration, will be payable by OSWC to the contractor on this account.

(d) In case the contractor has to use other fuel options, the same shall be borne by the contractor at his own cost.

(e) If the contractor wishes to mechanize loading and unloading operations at rail-head the same shall be undertaken by the contractor at his own cost including electricity/fuel expenses.

(f) Contractor shall install the mandatory mechanized solution as stipulated in the (a) above within 60 days of award of work.

(g) In case the contractor doesn't provide mechanized solution as per mandate given above, penalty as stipulated in the tender document shall be levied.

**C. Volume of work**

No definite volume of work to be performed can be guaranteed during the currency of the contract. However, some items of general information are given in **Annexure- I** to the tender. The particulars given in the Annexure are intended merely to give the tenderers an idea of the approximate quantum of work, so as to help in making their own assessment for quoting the rate in accordance with the conditions of the contract. It should be clearly understood that no guarantee is given that all the items of work as shown in the annexure to tender shall be required to be performed.

The contract, if any, which may arise from this tender shall be governed by the terms and conditions of contract as contained in the invitation/ general information to the tenderer and as given in the annexure and appendices to this tender.
