## Message

I am glad to know that Orissa State Warehousing Corporation is celebrating the Golden Jubilee of its Foundation Day on March 21, 2008.

Successful completion of fifty years is an achievement in itself. During the last fifty years, the Corporation has gone from strength to strength. It should now set fresh priorities and strive hard to achieve them in a stipulated timeframe.

I wish the celebration all success.

## Message

I am happy to know that the Orissa State Warehousing Corporation is bringing out a Souvenir on the occasion of its Golden Jubilee celebration on 21<sup>st</sup> March, 2008.

Agriculture being the backbone of our economy, the role of the OSWC in providing scientific storage facilities is considered important to reduce the post harvest storage losses of agricultural produce. Starting with a hired godown of 500 MT capacity at Jatni in the year 1958, it is now operating 60 warehouses in 28 districts of the State with a total capacity of 4.03 lakh MT.

I am sure that the OSWC will unveil a new identity to march forward in future with a renewed determination and enthusiasm.

I wish the celebration a grand success.

## Message

I am happy to learn that the Orissa State Warehousing Corporation is going to celebrate its Golden Jubilee on completion of 50 years of service. It is gratifying to note that the OSWC could multiply its storage capacity from a modest beginning of 500 MT in 1958 to 4.03 lakh MT of 2008 to serve the needs of the farmers of the State. It could also withstand the challenges during the 50 years and made itself competitive and profitable.

I wish the Golden Jubilee celebration all success.

## Message

It gives me immense pleasure to know that Orissa State Warehousing Corporation is celebrating Golden Jubilee on 21st March, 2008. Orissa State Warehousing Corporation is one of the leading State Warehousing Corporations catering to the warehousing needs of various depositors especially the farming community with a network of 3.95 lakh MT scattered in the State of Orissa. It is a matter of pride that Orissa State Warehousing Corporation has been earning sufficient profits and has become self-reliant in financing its projects.

I am confident that Orissa State Warehousing Corporation will achieve newer heights in the years to come.

I wish all the best to all the officers and employees of Orissa State Warehousing Corporation on this occasion.

CHAIRMAN

## Message

The Orissa State Warehousing Corporation was established in the year 1958 with the twin objectives of providing scientific storage facility to minimize post harvest storage loss of agricultural commodities and to provide credit facility to the needy farmers through banks by pledge of warehouse receipts. The Corporation started its functioning in a hired godown of 500 MT capacity and has now expanded its activities in the State with 60 warehouses at different locations with a capacity of 3.95 lakh MT own godown and 0.08 lakh MT hired godown.

The economy of our State mainly depends on agriculture and allied activities. The effort of the OSWC in creating scientific storage godowns has created a sustainable environment in development of agriculture in the State. It has helped the farmers of the State to get the minimum support price of their hard earned produce due to availability of storage godown at their locality. The Corporation has also provided employment opportunities to the rural people of the locality in way of engagement as labourers in the day-to-day operations of the warehouses. The warehouses of the OSWC are immense help to the Government in times of emergencies like flood, cyclone, drought etc. to ensure timely availability of commodities for distribution among the victims of affected areas.

The Corporation is earning profit consistently from the year 1994-95 and committed to maintain this financial status in coming years. The OSWC is also paying dividend to the State Government and CWC regularly.

The remarkable growth of the Corporation during the last five decades of its induction in praiseworthy which could be attributed due to cooperation of the State Government, Food Corporation of India, Fertilizer Companies and other valued depositors of the OSWC.

On the occasion of completion of 50 years of successful journey of the OSWC, I congratulate the officers and employees of the Corporation who put their sincere effort and dedication for establishing the Corporation in such a height. I hope the Corporation will keep on its endeavour to meet the future challenges of warehousing sector.

I wish the golden jubilee celebration all success.

*Saharai Oram*
